New 2018 v2 updates have been released

We're happy to announce that all 2018 v2 updates for Toyota and Lexus navigation systems have been received and are available on toyotamaps.online.

The price remained the same except for Lexus Premium Navigation 13MM and Lexus Multimedia 15M systems with a MicroSD slot. The price for these updates has been reduced to 79 USD.

You'll find the full list of updates below.

[Toyota & Lexus GEN8/9 MicroSD Update \(2015+\)](#)

[Lexus GEN8/9 USB Map Update \(2014+\)](#)

[Toyota & Lexus GEN7 Map Update \(2012 - 2015\)](#)

[Toyota Touch Map Update \(2011 - present\)](#)
